

Power And Policy: Americas Role In World Affairs

CURRENT AFFAIRS

"One of the most important books on U.S. foreign policy since September 11...When it comes to what might be called the 'philosophy' of foreign policy—the relationship of U.S. power and policy to broader historical and cultural trends—no statesman of Brzezinski's generation is in his league... *The Choice* is indispensable."
—Walter Russell Mead, *Foreign Affairs*

"An election-year foreign policy *tour d'horizon*, more sophisticated in analysis and recommendations, and certainly more statesmanlike in temper, than current writings by the Bush administration's supporters."
—*The New York Review of Books*

"Few prominent foreign-policy analysts have emerged from the Iraq debate with their reputations enhanced, but Zbigniew Brzezinski is one of them... [*The Choice*] is the work of a demonstrably wise man who got it right when it counted, and whose views may now offer the country some help in getting out of the woods into which it has wandered."
—*The Washington Post Book World*

"Brzezinski's blueprint for a Democratic American foreign policy may prove a turning point...America has a choice: domination through force, which can ultimately never ensure its security; or leadership of a global interdependent community."
—*The Guardian (UK)*

"An intensely rich and stimulating brew...Brzezinski is refreshingly bold and plain-spoken... *The Choice* bridges the simple polarities of realist and idealist. Unlike the writings of that other well-known national security adviser, Henry Kissinger, *The Choice* is strikingly free of self-aggrandizement and spin."
—*Raleigh News & Observer*

"A must read."
—*United Press International*

ZBIGNIEW BRZEZINSKI is a counselor at the Center for Strategic and International Studies and a professor of foreign policy at Johns Hopkins University. The National Security Advisor under President Carter, he is the author of eight previous books, including the national bestseller *The Grand Failure* and *The Grand Chessboard*. He lives in Washington, D.C.
